1. RESPONSIBILITY

The Governance, Employee Development, Nominating and Compensation Committee (the “**Committee**”) is responsible for:

- identifying candidates qualified for election or appointment to the Company’s Board of Directors (“**Board**”);
- determining the number of directors and composition for each of the committees of the Board;
- assisting in educating directors and assessing their performance on an ongoing basis;
- developing the Company’s approach to corporate governance and recommending to the Board corporate governance principles to be followed by the Company;
- discharging the Board’s responsibilities relating to total compensation of executives, including reviewing for approval to the Board the adoption of or any material change in any of the Company’s executive compensation plans;
- overseeing the Company’s succession planning for senior executives;
- reporting to the shareholders on executive compensation; and
- performing the additional duties set out in this Mandate or otherwise delegated to the Committee by the Board.

2. MEMBERS

The Board must appoint a minimum of three directors to be members of the Committee. The majority of the members of the Committee shall be independent.

For the purpose of this Mandate, a director is “independent” if he or she would be independent within the meaning of applicable Canadian securities laws, as the same may be amended from time to time.

3. CHAIR

Each year, the Board shall appoint one member to be Chair of the Committee who shall be an independent director. If, in any year, the Board does not appoint a Chair, the incumbent Chair shall continue in office until a successor is appointed. In accordance with the mandate of the Board, the Chair of the Committee shall act as Lead Director. The Board has adopted and approved a position description for the Chair which sets out his or her role and responsibilities.

4. TENURE

Each member shall hold office until his or her term as a member of the Committee expires or is terminated.

5. QUORUM, REMOVAL AND VACANCIES

A majority of the Committee's members shall constitute a quorum. Any member may be removed and replaced at any time by the Board. The Board shall fill vacancies in the Committee by appointment from among the members of the Board. If a vacancy exists on the Committee, the remaining members shall exercise all powers so long as a quorum remains in office.

6. DUTIES

The Committee will have the duties set out below as well as any other duties that are specifically delegated to the Committee by the Board.

(a) Board Succession Plan

The Committee shall develop and maintain, as required, a Board succession plan.

The Committee will consider resignations received pursuant to the Company's majority voting policy and make recommendations to the Board on whether or not such resignations should be accepted.

(b) Establish and Assess Director Qualifications and Independence

The Committee shall establish the qualification standards for directors relating to, among other things, the competencies, skills and personal qualities that should be sought in candidates for Board membership, having in mind the skills and competencies the Board as a whole should possess. The Committee shall annually assess the competencies and skills of the Board.

The Committee shall conduct an annual assessment of the independence of each director with reference to the applicable Canadian corporate governance guidelines and securities law.

(c) Identify Candidates for Nomination as a Director

The Committee shall develop and recommend to the Board from time to time a list of candidates for Board election or appointment with a view to enhancing the independence and quality of nominees to be elected by the shareholders at the annual general meeting of shareholders, and with consideration to diversity of views, experiences, skill sets, gender and ethnicity, and to the Board's aspiration to reflect the diverse and changing demographics of the markets in which the Company operates. The Committee should determine if each such candidate would be an independent director within the meaning of the relevant securities rules.

The Chair of the Committee, with the assistance of the Executive Chairman and one or more other directors appointed by the Board, should approach candidates for Board membership, to:

- explore the candidates' interest in joining the Board and seek their consent to act as a director;
- assess the candidates' skills and competencies; and
- confirm that interested candidates understand the role of a director and the contribution a director is expected to make to the Board, including the commitment of time and energy that the Company expects of its directors.

The Committee shall from time to time consider the appropriate size of the Board with a view to facilitating proper decision making.

(d) Review of Annual Director Voting Results

The Committee will review and consider the voting results for each individual nominee director following the annual general meeting of shareholders. The Committee will consider any resignation submissions resulting from the voting at the annual general meeting of shareholders.

(e) Orientation and Continuing Education of Directors

The Committee should take steps to satisfy itself that:

- the Company provides appropriate continuing education opportunities for directors.

(f) Recruit Directors for Board Committees and Filling Vacancies

The Committee will recommend to the Board those directors the Committee considers qualified for appointment to the Audit Committee, the Governance, Employee Development, Nominating and Compensation Committee, the Risk and Compliance Committee and the Pension Committee. Where a vacancy occurs at any time in the membership of any committee of the Board, the Committee will recommend to the Board a director to fill such vacancy.

(g) Performance Assessment of the Board, Board Committees and Individual Directors

The Committee will review on an annual basis the effectiveness and performance of the Board, and all committees of the Board.

The Committee will evaluate directors on an ongoing basis to assess their suitability for re-election.

The Committee shall approve any material waivers of the Code that are sought by directors or officers. It is acknowledged that the Audit Committee receives periodic reporting on any material matters arising from known or suspected violations of the Code as it relates to financial and accounting matters.

(j) Succession Planning

The Committee shall review the Company's organizational structure, consider succession planning for senior executives and recommend policies and principles for the selection and performance review of the senior executives including the Executive Chairman, as well as policies regarding succession in the event of an emergency or the retirement of the Executive Chairman and for the appointment, training and monitoring of other senior executives.

- make recommendations to the Board with respect to adoption and amendment of executive incentive compensation plans and equity-based plans;
- approve any employment inducement option awards or other equity-compensation awards;
- approve all stock options granted under the Company's stock option plan including the entitlement, vesting, exercise price and all other matters relating to the plan; and
