

Our CSR Priorities

As Canada's food and pharmacy leader, we aim to create positive environmental and social change by focusing on the issues that matter most to our customers and colleagues. Our actions are focused on three areas where we believe we can make the biggest difference:

Respecting the environment

Our aim is to reduce the environmental impacts of our operations, with a focus on food and packaging waste, and greenhouse gas emissions related to electricity, transportation and refrigeration.

Recognized as one of **Canada's Greenest Employers**

Sourcing responsibly

We strive to sell products that are safe and responsibly sourced. This means upholding our values throughout our supply chain, sourcing products sustainably and ethically, and supporting Canadian suppliers.
