

HealthSolutions
by **SHOPPERS** 

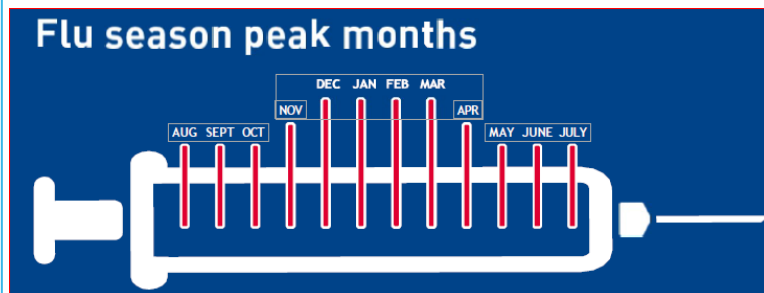

Help your workplace stay safe this flu season. Schedule your onsite flu clinic now.

Complete your employees immunization protection with onsite flu clinics at your workplace for this upcoming flu season. It's easy to set up and coordinate the clinic for your workplace. A Service Co-ordinator will be available to help every step of the way.

Every Employee receives:

- A confidential appointment with a registered nurse
- A seasonal influenza immunization (flu shot)
- A record of immunization

Flu season peak months

**Book now to ensure you don't
miss getting coverage when
the flu arrives this Fall!**

Prioritizing flu immunization in the work place reduces:

Risk of serious flu-related complications
among employees and their families

Risk of workplace and
community spread

Employee absenteeism and lost
productivity due to flu
