

**children's
charity™**

2025
Annual Report

A message from our Chairperson and Executive Director

Every child deserves the opportunity to learn, grow, and thrive. Yet today, more than 2.5 million Canadian children experience food insecurity*, creating barriers to their health, well-being, and future. This reality is driving unprecedented demand for school food programs across the country and reinforcing the importance of our mission.

At President's Choice Children's Charity, we see the impact of food insecurity every day. We also see the incredible difference that access to food can make. A healthy meal or snack at school helps students focus, participate, build confidence, and succeed, both inside and outside the classroom.

Thanks to the extraordinary support of Canadians like you, **2025 marked a defining milestone for our Charity. Together, we achieved our goal of feeding one million kids.** Through our Power Full Kids™ programs, we provided equitable access to meals and snacks in schools across Canada, giving more children the fuel they needed to learn, succeed, and reach their potential.

This achievement would not have been possible without the unwavering support of our founding partner, Loblaw Companies Limited, and the dedication of its colleagues, customers, and vendor partners. From fundraising and event participation to donations made in stores across the country, your commitment is helping create healthier classrooms and brighter futures for children from coast to coast.

While we celebrate reaching one million kids, our work is far from over. As food insecurity continues to rise, we remain committed to helping provide access to good food in schools across Canada, so that more students can succeed in school and in life.

Thank you for being part of this movement. Together, we will continue feeding potential, creating opportunity, and helping kids go far, not hungry.

Mark Wilson
Chairperson

Shantelle Rhynold
Executive Director

* [PROOF: \(2025\). New data on household food insecurity in 2024. Retrieved from https://proof.utoronto.ca/2025/new-data-on-household-food-insecurity-in-2024/](https://proof.utoronto.ca/2025/new-data-on-household-food-insecurity-in-2024/)

Every child deserves the opportunity to learn, grow, and thrive. Yet today, more than 2.5 million Canadian children experience food insecurity, creating barriers to their health, well-being, and ability to reach their full potential. This reality is driving unprecedented demand for school food programs across the country and reinforcing the importance of our mission.

We reached over one million* Power Full Kids™!

When we set an ambitious goal to reach one million children by 2025, we knew it would take the collective commitment of our donors and partners across the country. We also knew that, unfortunately, the need was growing faster than ever.

We're proud to share that we reached over one million* children in over 2,100 schools across Canada this school year, surpassing our goal and marking a defining milestone in the history of President's Choice Children's Charity.

Behind this number are children who started their school day with a nutritious breakfast instead of an empty stomach. Students who were better able to focus in class, participate with confidence, and build meaningful connections with their peers. Families who had one less worry knowing their children had

access to healthy food at school. Every meal and snack served represents an opportunity for a child to learn, grow, and thrive.

While reaching one million children is a remarkable achievement, it is not the finish line. Today, one in three Canadian children lives in a food-insecure household, and demand for school food programs continues to increase in communities across the country. This milestone is both a celebration of what we've accomplished together and a reminder of why our work must continue.

To every donor, partner, educator, volunteer, and supporter who helped make this possible: thank you. Together, we're feeding potential—one child, one school, and one community at a time.

Over one million* Power Full Kids™ reached at over 2,100 schools across Canada this school year.

*The number of children reached is defined as the total number of students enrolled in the school that are eligible for the President's Choice Children's Charity's Power Full Kids™ | Eat Well Program. The total number of students enrolled is self-attested by the schools at a point in time on an annual basis. Fundraising facilitated by Loblaw includes contributions obtained from customers, colleagues, vendors, online portals, PC Optimum™ points redemptions and corporate donations.

Power Full Kids™ are nourished, ready to learn, and empowered with the knowledge and confidence to make healthy food choices.

In 2025, we disbursed 22.6M to programming across Canada. 99.2% of programming spend was invested in the Power Full Kids™ | Eat Well Program and 0.8% for essential equipment to enhance its effectiveness and support our Future Growers program.

	Program \$ Dispersed	2025 Kid Count	% of school-aged children reached per province*
British Columbia	\$1,287,850.16	58,243	10%

Power Full Kids™ at School

Power Full Kids™ | Eat Well

Canada's largest school food program combines daily meals and snacks with fun mealtime activities so kids can connect with each other and their food, ensuring they are well-fed and ready to learn.

Power Full Kids™ | Equipment Fund

Offers the equipment schools need to deliver the Power Full Kids™ | Eat Well program.

Power Full Kids™ | Future Growers

Aims to address the loss of food sovereignty in Indigenous communities by using container farms to empower students to grow their own food and nourish their community.

Did you know?

- President's Choice Children's Charity (PCCC) is Canada's largest charitable direct-to-school food program, reaching 19% of school-aged children.
- 100% of customer donations feed kids at local schools.
- Our goal is to reach one million children at school each year.
- Our Power Full Kids™ program pairs good food with growing and cooking skills.
- PCCC is a Canadian registered charity.

It Takes a Community: Supporting Students at Landing Trail School

At Landing Trail School in Gibbons, Alberta, making sure students are well-fed and ready to learn has become a key part of everyday school life. Under the leadership of Principal Louise Loh, what began as a small, donation-based effort has grown into a structured, inclusive program that supports every child.

Not long ago, snacks were provided on a reactive basis through the school's Parent Involvement Association (PIA) and generous community donations. Most items were shelf-stable and handed out as needs came up during the day. As the need continued to grow, the school applied for the President's Choice Children's Charity Power Full Kids™ | Eat Well program in 2024, making it possible to shift toward a more consistent, fresh food approach.

Today, about 350 students from Pre-K to Grade 4 benefit from the program. Each day, classrooms receive bins filled with fresh fruits and vegetables, along with whole grains, dairy, and protein options. Because the program is available to everyone, access feels natural and stigma-free. Students simply help themselves, and the benefits are clear: they are more settled, more focused, and better prepared to learn.

A strong community partnership has helped make this possible. Mike's Your Independent Grocer plays an important role in ensuring the school has a steady supply of fresh, nutritious food.

"We see these kids and families in our store every day—this is our community," says store owner Mike Ward. "Being part of this program means we can help make sure local students have what they need to feel their best and succeed at school."

There's also a unique and much-loved member of the team: Boba, the school's therapy dog. Boba often tags along on grocery runs and is known to "inspect" deliveries when they arrive. It's a small detail, but one that brings a sense of joy and connection to the program, making it something students and staff feel proud of.

Back at school, Ms. Patti keeps everything running smoothly. From ordering and prep to organizing classroom bins, she's at the centre of the day-to-day work. Students pitch in too, helping deliver and return bins, which adds a sense of routine and shared responsibility.

The changes have been noticeable. Visits to the office due to hunger have dropped, and students are making healthier choices on their own. One staff member shared that a student who used to ask for packaged snacks now regularly asks, "Can I have cucumbers today?" It's a small moment that reflects a much bigger shift.

For Principal Loh, the reason for the program is simple. When students have what they need, they can fully take part in learning and in school life. At Landing Trail School, that starts with access to healthy food and a community that shows up for its kids.

“

We see these kids and families in our store every day—this is our community,” says store owner Mike Ward. “Being part of this program means we can help make sure local students have what they need to feel their best and succeed at school.

– Mike Ward, Mike's Your Independent Grocer, Gibbons, AB

Our Impact

Together, we're creating healthier classrooms and brighter futures for students across Canada. This year, we surpassed our goal of reaching one million children through our Power Full Kids™ programs, helping ensure more students have access to the nutritious food they need to learn and thrive. Every number here represents a child, a school, and a community whose future is brighter because kids who eat well, do well.

Community and Care at the Heart of Avon Public School's Snack Program

At Avon Public School in Stratford, Ontario, a dedicated network of volunteers is helping ensure students have access to healthy snacks throughout the school day.

Led by parents and grandparents who generously give their time each week, the school's snack program has become an important source of nourishment and support for students and families alike. Every Tuesday morning, volunteers gather to restock classroom snack bins and prepare fresh fruits and vegetables for distribution across the school.

"Each Tuesday morning our small but deeply devoted group of parent and grandparent volunteers gather to refill snack bins with non-perishable grab-and-go foods and wash, chop and prepare fruit and vegetables in large, heaping trays to distribute to each classroom in the school," said Emelie Taylor, a Grade 3 teacher at Avon Public School.

The program is designed to make food easy to access for every student. Snack bins and fresh produce trays are placed directly in classrooms, allowing children to grab something to eat whenever they need it without disrupting their learning.

Avon Public School serves approximately 440 students, and the snack program is available

to every child in the school community.

"If a child doesn't have a lunch from home, or doesn't have enough to eat, or if a child eats all their lunch provided from home and is still hungry, there is always food available," Taylor explained. "Since the snack bins and the fruit and veggie trays are in each classroom, children don't have to leave their classroom to access food."

The school's volunteer team operates out of what is affectionately known as "the milk room" – a compact but highly organized space equipped with cupboards, sinks and refrigerators.

"We have a room in the school that houses a sink, cupboards and several fridges, including one that contains the milk that families can purchase, so this room is called 'the milk room,'" Taylor said. "It's certainly not a huge room, but the volunteers who run the program are very efficient, organized and make use of the available space."

Students enjoy a variety of nutritious snacks throughout the week. Classroom snack bins are typically stocked with granola bars, cereal bars,

fish crackers, fruit cups, applesauce, and mini cereals. Fresh fruit and vegetable trays often include apples, pears, cucumbers, clementines, grapes and strawberries.

Some snacks disappear faster than others. "The strawberries, grapes and clementines are often the favourites," Taylor shared. "If pineapple chunks are ever delivered, they're definitely gobbled up, and so are orange slices."

By creating a welcoming and accessible program, Avon Public School is helping students stay focused, energized and ready to learn – while also supporting families who may be experiencing food insecurity. Through the dedication of volunteers and staff, the program continues to make a meaningful difference in the daily lives of students across the school community.

If a child doesn't have a lunch from home, or doesn't have enough to eat, or if a child eats all their lunch provided from home and is still hungry, there is always food available.

- Emelie Taylor, Grade 3 teacher at Avon Public School

Recognized as One of Canada's Top 100 Charities

In 2025, President's Choice Children's Charity was proud to be recognized as one of Charity Intelligence Canada's Top 100 Charities, an honour that reflects our commitment to transparency, accountability, and delivering meaningful impact for children across Canada.

Charity Intelligence Canada is a trusted independent evaluator that helps Canadians make informed giving decisions by assessing charities on financial transparency, results reporting, and the impact of donor dollars. Being included among Canada's Top 100 Charities recognizes organizations that are making a measurable difference while demonstrating strong stewardship of the resources entrusted to them.

This recognition comes during a milestone year for our Charity. In 2025, we surpassed our goal of feeding one million children annually, reaching 1,003,461 children in 2,162 schools through our Power Full

Kids™ programs. Together with our founding partner, Loblaw Companies Limited, as well as our vendor community, donors, and supporters across the country, we are helping address the growing challenge of childhood food insecurity while empowering young people with the skills to grow, prepare, and enjoy healthy food.

As more Canadians seek trusted information about where to direct their charitable giving, recognition from Charity Intelligence provides confidence that donations are creating meaningful, measurable outcomes.

We are deeply honoured to be included among Canada's Top 100 Charities and remain committed to ensuring every dollar invested in our mission helps more children learn, grow, and thrive.

Together, we are feeding potential and creating brighter futures for children across Canada.

CHARITY INTELLIGENCE 2025

TOP 100 CHARITIES

Store Manager*

Powered by Volunteers: A Year of Community in Action

Behind many of President's Choice Children's Charity's most impactful moments are the volunteers who make them possible. Whether serving breakfast, assembling snack bags, or supporting fundraising events, Loblaw colleagues generously give their time to help create memorable experiences that raise awareness, inspire giving, and strengthen communities. Their enthusiasm and commitment help turn every event into an opportunity to support children across Canada.

This year, Loblaw colleagues and volunteers came together in remarkable ways to help fuel our mission. They hosted pancake breakfasts at local schools, creating joyful mornings for students in Power Full Kids™ programs. Across stores and our head office, colleagues assembled more than half a million snack bags to help ensure children had access to nutritious food throughout the school day.

Volunteers also helped make our largest golf tournament ever a tremendous success, raising critical funds to support our Eat Well programs. And during the holiday season, colleagues rallied through our Pack the Pantry food drive, collecting food for local schools to help children and families during one of the busiest times of year.

These moments may look different, but they all share one purpose: helping children thrive. Every breakfast served, snack bag packed, golf tournament supported, and pantry filled represents the generosity, compassion, and commitment of people who believe that no child should have to learn on an empty stomach.

To every volunteer who gave their time, energy, and heart this year, thank you. Your dedication is helping feed potential and creating brighter futures for children in communities across Canada.

Thank you to Loblaw Companies Limited and its customers, colleagues, and vendors!

Loblaw Companies Limited believes it has a responsibility to make a positive impact in the communities it serves. That commitment is central to the company's purpose of helping Canadians Live Life Well®.

In 2025, Loblaw and its colleagues, customers, and vendor partners raised \$23.7 million through corporate donations and fundraising in support of President's Choice Children's Charity. These contributions are helping address childhood hunger, expand access to school food programs, and equip children with the skills to grow, prepare, and enjoy healthy food.

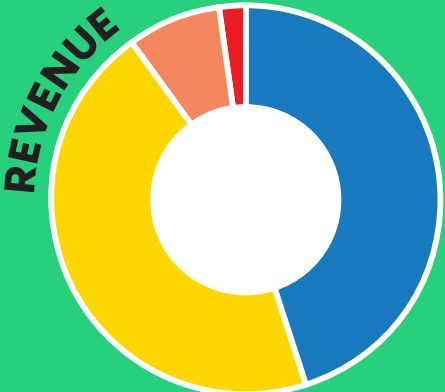

This incredible support played an important role in helping us achieve a major milestone in 2025, reaching more than one million children through our Power Full Kids™ programs. Together, we are ensuring more students across Canada have access to the nutritious meals and snacks they need to learn, grow, and thrive.

This work builds on Loblaw's long-term commitment to our mission. In 2018, the company pledged to raise and donate \$150 million by 2027 to help remove hunger as a barrier to education and empower young people with lifelong food skills.

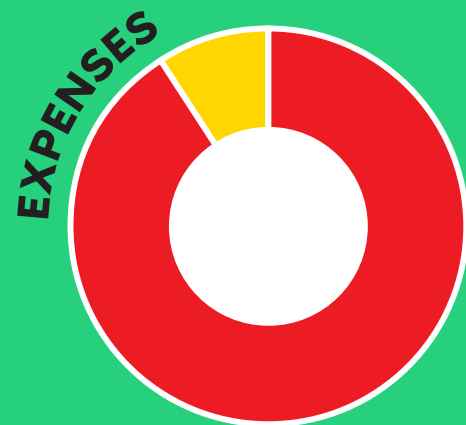

Loblaw's commitment extends beyond fundraising. Through an annual donation that covers the Charity's administrative and operating costs, Loblaw ensures that 100% of every personal donation goes directly to supporting programs that feed kids and build lifelong food skills.

To Loblaw Companies Limited and its colleagues, customers, and vendor partners, thank you for your partnership in 2025. You have helped feed potential and create brighter futures for children across Canada.
