

FAQs

How do I apply for a donation from Shoppers Foundation for Women's Health™?

Submit an online application using the link on the grant programs page

Should I confirm via phone or email that my request has been received?

- No, grant program applicants will receive a response by July 31, 2025.

What are the Shoppers Foundation for Women's Health™ funding priorities?

Shoppers Foundation for Women's Health™ Community Grants program funds local charitable programs, dedicated to fostering health equity by increasing access to care and support, and by raising awareness for women's unique health needs. We're proud to support a network of community organizations who are leading the way to ensure equitable and accessible care so that all women in Canada can lead healthier lives.

Grants are available for new and existing initiatives that will help to create positive health outcomes for women, and that:

- Increase women's access to care and support that promotes health and well-being
- Drive awareness and understanding of issues that impact women's health equity.

Please note, priority will be given to funding opportunities that serve vulnerable women

When will I hear if my request has been approved?

- Applicants will be notified no later than July 31, 2025. Please note that due to the large volume of requests we receive, we are unable to respond to telephone or e-mail inquiries regarding the status of requests.

My request falls within your funding criteria, but it was declined, why?

- **Shoppers Foundation for Women's Health™** receives many more applications that it can fund, and even though your request may meet our funding criteria, the funds may not be available at the time. We suggest you apply again in the following calendar year. Please note that due to the large volume of requests we receive, we are unable to respond to telephone or e-mail inquiries regarding the details of declined requests.

Does Shoppers Foundation for Women's Health™ have geographic restrictions?

- **Shoppers Foundation for Women's Health™** provides funding to charitable organizations that operate in Canada.

How do I submit a request for product support or gift cards?

Shoppers Foundation for Women's Health™ provides monetary donations for applications that meet the criteria for our cause.
