

Employee Purchase Plan:

Enrolment form for non-wireless associates.

The Employee Purchase Plan gives active associates an ongoing 30% discount off their monthly **in-market** plan and add-ons for a period of 24 months. Just a heads up that your discount only applies to the standard monthly rate of a plan or add-on. The discount does not apply to late payment charges, taxes and pay-per-use charges (such as long distance, roaming and additional airtime, data). Discount is based on rate plan eligibility.

If an existing bill credit or service discount is present on the subscriber's phone number, it will be removed prior to the Retail EPP discount application.

Conditions:

Participating eligible employees give consent to their employer to disclose their personal information to Kodo for the purpose of verifying ongoing eligibility for the Kodo National Retail Employee Purchase Plan. Personal information includes the eligible employee's first and last name and employee number with his/her participating employer.

The rate discount will remain valid for a period of 24 months. The discount is subject to:

- a) the employee remaining employed with a Kodo authorized National Retailer;
- b) the Kodo authorized National Retailer maintains its participation in the Kodo National Retail Employee Purchase plan; and
- c) the employee maintains his/her account in good standing and using the wireless services in compliance with the applicable terms and conditions.

If any of the above conditions no longer continue to be true, Kodo may, upon thirty (30) days' notice, remove the rate discount from the employee's account.

At the end of the 24 month term, the eligible employee may be eligible to receive the rate discount for an additional 24 month term provided that the eligible employee continues to fulfill the eligibility requirements set out and reapplies for the discount.

Kodo reserves the right to discontinue this program at any time without notice.
